

Admission Procedure – Graduate Degree Applicants

Graduate applications, as defined in SBHE Policy 411 must satisfy the following requirements to be eligible for consideration of admissions:

1. Completion of Mayville State University's application for admission and pays any applicable application fees.
2. Official college or university transcripts of all previous academic work from each institution attended.
3. Validation of baccalaureate degree from a regionally accredited organization or national recognized agency.
4. International applicants shall adhere to M411.9.
5. Cumulative undergraduate grade point average of 3.0 or higher.
6. Mayville State University may require additional extensive application materials. Required materials vary by graduate degree program.
7. Resident quotas may be established for admission purpose in each program at Mayville State University's discretion:
 - a. Minnesota residents must be admitted on the same basis as North Dakota residents or as otherwise permitted under the North Dakota/Minnesota reciprocity agreement, unless the program is exempt from that agreement.
8. Mayville State University may require documentation of immunity as defined in M506.
9. Mayville State University limits the number of graduate credits accepted in transfer to 9 credits for Masters programs and 6 credits for graduate certificates. Additional limitations may be set by specific graduate programs.
10. Dependent upon specific program requirements, the Dean of a Division may grant conditional admission to a graduate program. In such cases a registration hold is placed, requiring review by the Division Dean until all conditions are met and the hold removed.
